

THE GRASS ROOTS

Dear FLIP,
I am writing about the 2 letters in the June and September issues from the Grass Roots fans. I've loved the Roots for a long time. I did subscribe to another magazine but they never printed anything on the Roots. I now subscribe to FLIP. Please print more on them. (non-Roots fans—write!) Let's fill the next issues of FLIP with letters from Grass Roots fans! Tina Nelson, Minn., Minn.
